please call 911

Maintenance Emergency Procedures: If you experience an emergency situation, please follow the steps outlined below. As a note, if the problem occurs in the middle of the night, it is very unlikely we will be able to dispatch a contractor to the property until the next morning.

- The specific definition of a maintenance emergency is:
 - “An issue that is dangerous, hazardous or, if not addressed immediately, could cause damage to the property or your personal well-being (ex: flooding, no heat in the winter, gas leak).
- An emergency is **NOT**:
 - Annoying sounds, appliance malfunction, a/c failure, drain stoppage, etc. While inconvenient, these are not considered emergencies and will be handled by our office on the following business day.
 - Although an A/C issue is not technically defined as an emergency, we do understand how hot summers are here and can sometimes be unbearable during the summer.
- If the situation is considered a maintenance emergency and occurs during normal business hours, please call our office, then follow-up with a formal service request submitted online.
- If the situation occurs after business hours, please call our after-hours number 864-894-2191. Please be prepared to provide your name, phone number, property address, nature of the issue.

Tenant Responsibilities:

The following items are the responsibility of the tenant at their expense while they are living at the property:

- Replacement of light bulbs with the correct wattage
- Replacement of cleaning of furnace and air conditioning filters every 3 months (with a thicker filter; every 1 month with thin, inexpensive filter). In the event there is an HVAC malfunction due to the clogged filters due to the tenant not changing the filters as outlined, the tenant will be charged.
- Replacement of smoke alarm batteries. The property must have working smoke detector alarms **at all times**. It is a lease violation to remove them.
- Report non-functioning smoke alarms immediately if batteries do not solve the problem.
- Reporting all necessary repairs.
- Professionally steam cleaning and spot cleaning carpets while living in your home.
- Normal insect control (bees, spiders, sugar or nuisance ants, etc.)

Security Deposit Refund:

Once you have completed moving out, Magnolia Rental Property Management will complete any repairs and cleaning not noted on your initial walk through and refund your remaining security deposit. **WE CANNOT REFUND YOUR SECURITY DEPOSIT THE SAME DAY YOU MOVE OUT** because we must ensure that all cleaning and repairs have been completed; utilities have been properly transferred, etc. **Please make sure Magnolia Rental Property Management has your forwarding address to send your security deposit refund to you. This refund will occur within 30 days.**

If the property was damaged or past due rent is owed in excess of your security deposit, we will contact you for the remaining payment.
